PSI INTERNATIONAL, INC. AWARDED CONTRACT WITH THE NEW YORK STATE OFFICE OF CHILDREN AND FAMILY SERVICES

FAIRFAX, VA – PSI INTERNATIONAL, Inc. (PSI) announced today that it has signed a contract with the New York State Office of Children and Family Services (OCFS) to provide technical and professional services in each of the following categories:

1. Programming and Architecture
2. Technical Support
3. Business and Programmatic Analysis, Project Management and Quality Assurance
4. Implementation Support and Training.

This contract will be the primary vehicle for OCFS to procure Information Technology (IT) services for the next five years. It is available to all agencies and municipalities throughout New York State.

“This award speaks volumes about the quality of PSI’s services provided to OCFS and its predecessor organization for the past 10 years. PSI is extremely gratified that OCFS has continued to place its trust in PSI’s ability to support them on their critical initiatives for the next five years,” stated Charlie Farris, PSI Business Development Manager.

PSI is the Prime contractor, leading a Team comprised of Dynamics Research Corporation (DRC), Computer Aid Incorporated (CAI), and several certified New York Women-Owned and Minority Business Enterprises.

PSI INTERNATIONAL, Inc. Background Information

PSI INTERNATIONAL, Inc. is a Fairfax, Virginia-based company that has been providing innovative IT services solutions since 1977, with emphasis on integrating IT services with subject matter expertise in two niche areas – Health Science and Social Services. PSI serves federal, state, local, and commercial clients in the United States and in a number of foreign countries.

PSI has been continuously supporting New York State’s social services providers since 1995. Today, PSI supports State and Local agencies in business analysis, systems design and development, implementation planning, network management, modernization programs, end-user support, and configuration management.
